

**Let your family and friends know you are**

## **SAFE and WELL**

During an emergency, letting your family know that you are safe can bring your loved ones great peace of mind. The Red Cross website, [www.redcross.org](http://www.redcross.org), features a secure section called Safe and Well, where residents displaced from the flooding can register their well being and where friends and family elsewhere can access that information.

To register, please visit [www.redcross.org](http://www.redcross.org) or call 1.866.GET.INFO
